

Flinders Shire Council – Annual University Scholarships

Flinders Shire Council is offering an annual scholarship, up to the value of \$5,000 per annum, towards an approved course equivalent to AQF Level 7 or higher in the fields listed below under “Eligibility”.

Council selects approved courses based on skills shortages in these fields throughout Local Government areas in Queensland, especially in rural and remote Communities with the intent of developing and retaining qualified professionals in the region.

This is an annual Scholarship that must be applied for and will be awarded on an annual basis.

To be eligible for a Scholarship, the student needs to either be a Flinders Shire resident or maintain their residency in the Flinders Shire through their parents/grandparents/guardian (e.g. after commencing an eligible, approved course). The student therefore may be attending an educational institution outside the Shire when they apply for a Scholarship.

Scholarship applicants may be a completing their senior school study and be commencing, or have already commenced, study towards a degree qualification.

Council at its discretion may award more than one Scholarship in a single year, however Council is not obligated to provide a Scholarship every year, even where Council has called for and considered nominations for the Scholarship.

Applications for the 2023 Round of Scholarships

Open - Monday, 12th October 2022; and

Close - Friday, 2nd December 2022.

Eligibility

To be eligible for scholarships, applicants must have enrolled in or intend to enrol in study for 2023 or have already commenced full-time study towards a Bachelor Degree (AQF7 or higher) in the following fields:

- Business Management (Including Accounting and IT)
- Health Services (Including Nursing, Veterinary, Allied Health, Aged Care and the like)
- Engineering (Civil, Water and Wastewater)
- Manufacturing (Industrial, Mechanical and Production Engineers)
- Agricultural sciences (Including Agribusiness, Agriculture, Natural resources and land management, and Horticulture).

Applicants must be a permanent resident of Australia, Australian citizen, New Zealand citizen or a permanent Australian Humanitarian Visa holder.

They must also be:

- a resident of the Flinders Shire Council for a minimum of two years immediately prior to, and at the time of, the application; **or**
- be a child or a grandchild of a current resident of the Flinders Shire (minimum of 5 years immediately prior to, and at the time of, the application) and are living away from the shire to pursue higher education; and provide a commitment to live and work in Flinders Shire Region after the completion of studies.

Payment of the Scholarship

The total **annual scholarship amount (\$5,000)** will be divided over the two (2) university semesters of the year. Accordingly, the student will be entitled to \$2,500 at the end of each semester of full-time study, provided that each unit of the semester is successfully completed.

In the event that the student does not successfully complete (i.e. pass) all units each semester, a pro-rata amount only will be paid. For instance, if the student passes three (3) of four (4) units then 75% of the \$2,500 for the semester will be paid by Council.

In the event that, in a later semester, the student passes a unit that they previously failed; or the student passes a unit that they took as an alternative to a unit that they previously failed; then the student will be paid for that unit, as long as the total Scholarship amount of \$5,000 per annum is not exceeded.

If the student does not undertake four (4) units of study in a single semester, then they will be entitled to a pro-rata amount only. For instance, if the student undertakes three (3) units in a semester, then 75% of the \$2,500 for the semester will be paid by Council.

To claim payment, the student will need to submit a copy of their semester results to the Human Resources section of Council. These results **must** come directly from the University (e.g., a formal transcript of the results; an email to Council sent directly from the University email account). Email results forwarded by the scholarship holder are not acceptable.

Nominations and Selection

The applicants will be asked to make a submission using the Scholarship Application Form, outlining why they are the best candidate for a scholarship, and providing information and results relating to their curricular and extra-curricular activities.

School leavers must attach copies of their Year 11 transcripts to the Scholarship Application Form, as well as a Letter of Recommendation from a teacher, tutor or employer. They must also provide copies of their Year 12 transcripts and the confirmation of their university acceptance, as soon as possible.

Current tertiary students will be required to provide their year 12 transcripts and evidence of any completed units related to their course of study.

The applicants must declare if they have already been awarded, or are being considered for, another tertiary scholarship or bursary. Priority will generally be given to applicants who are not already receiving another scholarship or bursary.

A panel will review the applications and make a recommendation to the Chief Executive Officer for consideration. Where appropriate, the short-listed applicants will be interviewed prior to selecting a preferred applicant. A preferred applicant will generally be selected by identifying the applicant who has demonstrated the greatest scholastic dedication and achievement, and who has demonstrated an interest in and dedication to the field of study. However, at its discretion Council may also consider other factors such as the applicants' community involvement, and their personal and financial circumstances, when awarding a Scholarship.

Where an applicant has previously been awarded a scholarship, the previous performance and conduct will be taken into account prior to any subsequent scholarship being awarded.

Following consideration by the Chief Executive Officer, applicants will be notified of the outcome.
