Most recent development update for Residents and Ratepayers of Flinders Shire

As is Council's commitment to be open and transparent, I wish to convey that Mayor Jane and Councillors excluding Cr Bode and Cr Middleton, who attended a recent conference where Senator Susan McDonald spoke have been cleared and are now out of a precautionary quarantine.

Councillors Bode and Middleton and myself, who also attended the conference will remain in quarantine as a precautionary measure to the Community until all test results are returned, as per Queensland Health Protocols.

I would like to take the opportunity to thank the Community of the Flinders Shire for their support and understanding through these challenges.

Regards

**Daryl Buckingham  
CHIEF EXECUTIVE OFFICER**
